RE: Financial Assurance
Occidental Chemical Corporation
Wichita, Kansas 67215
EPA ID No. KSD 007 482 029

Dear Mr. Fitzgerald:

The United States Environmental Protection Agency Region 7 has received and as beneficiary accepts the financial assurance documents submitted by Glenn Springs Holdings, Incorporated on behalf of its parent corporation, Occidental Petroleum Company.

I am responding on behalf of Division Director Rebecca Weber to whom you addressed your correspondence. Per your request, this letter advises of the mailing address of the EPA Region 7 Office as 11201 Renner Boulevard, Lenexa, Kansas 66219. Further correspondence concerning the above referenced facility should be sent to that address.

The EPA provides the following comment on the CFO Letter and the written Corporate Guarantee you submitted as documentation of financial assurance. These documents specify costs for closure and post-closure care, but do not include corrective action costs; therefore, in future submittals they should be modified to include reference to corrective action costs.

If you have any questions please contact me, as the project manager for this site, at (913) 551- 7279 or by email at roberts.bradley@epa.gov.

Sincerely,

Brad Roberts
